MEMORANDUM FOR: Director of Training

SUBJECT : Congressional Fellowship
Program

1. I am attaching for your information a copy of a memorandum from [REDACTED] pointing out that the Agency has not been doing very well in getting its candidates accepted for the Congressional Fellowship Program. It is quite clear that we simply have not been putting forward the types of candidates who can pass muster when compared with candidates from other agencies and departments. STATINTL

2. There is no need to wring our hands over the past, but it is clear that we really ought to be doing a better job in finding candidates for this Program which is extremely worthwhile. I urge you, as Chairman of the Training Selection Board, to remind all of the Directorates, including the DDI, to take this business more seriously during future rounds. STATINTL
